Date	Description	Rate
May 16, 2026	Job #2656060: Dever Jylha At: 64 Lillico Dr, Ottawa, ON, K1V 9L6 Repair and refinishing of ceiling surfaces following popcorn ceiling removal. Scope of work included full skim coating application across the entire ceiling area, followed by two coats of compound, sanding, and final surface preparation to achieve a smooth, paint-ready finish. All surrounding finished surfaces, including walls and baseboards, were fully protected throughout the process, as they had been previously painted. Pricing includes labour, materials, equipment, surface protection, and all tools required to complete the work professionally.	$4,410.00
	HST (13%)	**573.30**
		CAD $4,983.30
